Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Friday 13 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Fine at first, but cloudier with some rain later Saturday.

This Evening and Tonight:
Patchy light rain in some western parts soon dying away, leaving a mainly dry and mild night with clear spells developing for a time. Perhaps becoming cloudier towards dawn with a little rain perhaps returning. Minimum temperature 11 deg C (52 deg F).

Saturday:
Brightest first thing, with some limited warm sunny intervals. Cloud thickening and bringing with it a little rain at times, most often affecting the north and west, especially later on. Maximum temperature 21 deg C (70 deg F).

Outlook for Sunday to Tuesday:
Rather cloudy with some rain likely Sunday, ahead of a bright but blustery Monday with showers. Probably damp and on the cloudy side again Tuesday, but brighter in the east.
